मित्रों रोटरी के सभी कार्यों का आधार रोटरी फाउण्डेशन है जिसके माध्यम से परियोजनाओं हेतु ग्राण्ट प्राप्त होती है। रोटरी फाउण्डेशन ही समस्त मानव सेवा का आधार है। मित्रों आप सभी के सहयोग से अपना मण्डल एक निर्धारित लक्ष्य को प्राप्त कर सकता है। आइये मानव सेवा के इस महासमुद्र में फाउण्डेशन में मुक्त हस्त से दान देकर अपना जीवन धन्य करें। मित्रों दान वह महक है जिससे देने वाले के हाथ भी महकते हैं व पाने वाले का जीवन भी। कहा गया है -

आत्मार्थम् जीवलोकेस्मिन् को न जीवति मानवः।

परं परोपकारार्थम् जीवित सा जीवति ॥

हमें ईश्वर की कृपा से मानव जीवन मिला, ईश्वर की कृपा से योग्यता मिली व उन्हीं की कृपा से सामर्थ्य मिला आईये अपने उन अभावग्रस्त भाई बहनों की सेवा हेतु कुछ अंश अवश्य दान दें। हम सब सभी सुखी हैं जब हमारे आसपास के लोग कष्ट में नहीं हैं, अभाव में नहीं हैं। सबका विकास सबका स्वास्थ्य सबकी शिक्षा व सबकी मूलभूत आवश्यकता पूर्ति ही हमारा लक्ष्य है।

इसी लक्ष्य को पूर्ण करने हेतु आप सभी फाउण्डेशन में सामर्थ्य के अनुसार मुक्त हस्त से दान कर रोटरी के एक बेहतर जीवन के स्पन्ज को साकार करें।

मित्रों 19 नवम्बर को डिस्ट्रिक्ट फाउण्डेशन सेमिनार का आयोजन अलीगढ़ में किया जा रहा है। जिस के मुख्य अतिथि रोटरी अन्तर्राष्ट्रीय डायरेक्टर Rtn. R.I. PRESIDENT SPEAKS

The Foundation of our service efforts

We have a deserved reputation for transparency, effectiveness and good business practices, and because we are highly skilled professionals as well as volunteers, we achieve a level of efficiency that very few other organisations can approach.

To put it simply, a dollar given to The Rotary Foundation has a great deal more muscle than a dollar given to most charities. If you want to spend a dollar on Doing Good in the World, you can't do better than to spend it with the Foundation. That is not just me speaking out of pride; it is verifiably true and is reflected in our rankings by independent organisations.

In the Foundation's centennial year, Rotarians surpassed our goal of raising \$300 million. If you were part of that achievement, you have been part of something tremendous. Somewhere in the world, someplace you have probably never been, people you may never meet will lead better lives because of you. Ultimately, it is our Foundation that lets us make good on our core beliefs : that we can make a difference, that we have an obligation to do so, and that working together, as well and as efficiently as we can, is the only way to effect real and lasting change.

President, Rotary International

R.I. DIRECTOR SPEAKS

Rotary's Triumvirate

The third Rotarian is Herbert J Taylor. He showed us the ethical way of living and introduced the Four-Way Test. He proved to the world the power of the Four-Way Test by applying it in his own business, turning it from a loss-making to profitable one. The Four-Way test—Is it the truth? Is it fair to all concerned? Will it build goodwill and better friendship? and Will it be beneficial to all concerned? - is the real taraka mantra to uphold the ethical standards in every sphere of life. This is Rotary's inbuilt stewardship, the need of the hour for Rotarian to be equipped with. Rotary's idea of service and fellowship is based on the Four-Way Test. It turns acquaintances into true friendships and is the reason why projects like PolioPlus have become grand successes.

We cannot however live on our past successes. We must endeavour to do better. Almost 800 million people live on less than Rs. 125 a day. There are so many projects we can take and make a positive difference in the lives of the lesser privileged. Rotarians are passionate people; they have the energy and innovative idea to provide sustainable solutions to reduce poverty. The Rotary Foundation spent \$9.2 million to grow local economies and reduce poverty last year. It takes \$24 to provide safe water for one person. Because of Rotary, 23 million people now have safe water and 21 million people have access to sanitation and hygiene. Thanks to The Rotary Foundation. Rotary hopes to finish providing everyone with safe water, sanitation and hygiene by 2030.

Let us contribute more to The Rotary Foundation and demonstrate to the world, *Rotary : Making a Difference*.

Director, Rotary International

From Pen of the Editor.....

The month of November according to Rotary calendar has been earmarked as a month of Rotary Foundation in order to boost up the efforts for raising the contribution to it. Rotary Foundation has been created to bolster humanitarian services such as eradication of hunger and poverty, promotion of health and removal of diseases, spreading literacy and education, establishing peace through understanding and universal brotherhood and mitigating violence and chances of war.

Rotary Foundation is a fund which purports to do good and improve prevailing social condition. It is above parochial considerations of caste, colour and creed and offers its services to all and sundry as Rotary treats the world as one family which synchronizes with our ideal of **वसुधैर् वृद्धंवकम् ।**

After getting unprecedented success in the eradication of Polio which was its pilot project, Rotary India Literacy Mission has undertaken another very important project that is the removal of illiteracy and has joined hands with literacy Mission of India. These big projects require funds.

As Rotarians we know that our contribution, however small, can spell wonders. It can save life from extinction; it can give bread to a starving

soul ; it can offer crutches to a person who cannot walk; it can make a person literate; it can bring smile on a face and can act as anodyne to a bruised heart which is pining for love.

The joy of giving is twice blessed. It blesseth him who gives and blesseth him who receives.

The happiness that one feels when one gives is simply inexpressible in words. Therefore, I make a fervent appeal to all of you, on my behalf and on behalf of our District Governor to contribute to Rotary Foundation as much as you possibly can to join the mission of making this world a better place to live in. A world which is not divided into narrow domestic walls; where the mind is held high; where the society is egalitarian and is not divided between haves and have-nots. We have miles to go to translate this vision of Rotary into reality.

We know that sharing what we have with the needy and the dispossessed is the key to happiness.

Mother Theresa had said that 'God gives us things to share. God does not give us things to hold."

We also remember the words of Winston Churchill, who said , "You make a living by what you get. You make a life by what you give."

So give generously and contribute liberally to the Rotary Foundation.

Dear Friends,

I visit many Clubs with DG Vinay Asthana. The treasure of your love, affection and respect has made our journey an enchanting one. The mere word "Thanks" will not suffice for the bounty you have presented us. I and DG Vinay both prefer to remain indebted to all of you and your families.

Since the times immemorial Hindus have portrayed the womanhood in three distinct forms-

LAKSHMI- The harbinger of prosperity bringing happiness,
SARASWATI- The power of knowledge, educating her children and managing household and office as well.

DURGA- The destroyer of evil, fighting her family foes.

She has been and is always a source of comfort and care, a good will ambassador for her family. We just can't imagine the survival of human race without her on this earth. Who will stand by the man through the life's maze? Who will love the burdened man during his hellish moment? Who will look after piteous looking kids? No doubt it is a core fact-she is SHAKTI.

NO WOMAN- NO WORLD.

So simply we can't deprive Rotary from having female members and the involvement of Rotarian's wives to strengthen the organization. I hereby again request Rotarians to bring in and call forth this female strength in your Rotary activities to make club endeavors more appealing, genuine, fruitful and rewarding.

Warm Regards

Seema
